Re: Unclaimed Property Reported Under Former Entity: REB PROSPER LLC

Dear Fisseha,

There is an unclaimed property item originally reported under the former entity name **REB PROSPER LLC**. We are notifying the current organization so this item may be reviewed, verified, and recovered by your team.

| | |
|-------------------------|--------------------------|
| Reference: | 206745468 |
| Reported Holder: | KINDERCARE EDUCATION LLC |
| Amount: | 38629.41 |
| Report Year: | 2025 |
| Property Type: | Accounts Payable |

This information reflects an item that was reported under a predecessor entity. Your organization may be eligible to file the claim.

This notice is based solely on publicly available state records and can be independently validated at any time. You may verify this item through the State of Georgia's public unclaimed property portal, and no sensitive documents are required until ownership is confirmed.

No fee is owed unless funds are successfully recovered, and you may instead choose to file directly with the state. A brief overview of filing options is included on the following page.

THIS IS A SOLICITATION. THIS IS NOT A BILL OR OFFICIAL GOVERNMENT DOCUMENT AND HAS NOT BEEN SENT BY THE STATE OF GEORGIA. YOU ARE NOT REQUIRED TO USE THE SERVICES OFFERED IN THIS SOLICITATION.

Sincerely,

Fisseha Gebresilasie
Client Relations & Compliance Manager
Load Router, LLC

FILING OPTIONS

- **File directly with the State of Georgia:** Use the public unclaimed property portal to submit a claim independently.
- **Authorize Load Router, LLC as your representative:** We prepare and submit the claim package on your behalf.

FEES AND PAYMENT

Our fee is a **12% contingency** on funds successfully recovered. There are:

- **No upfront fees**
- **No charges if no funds are recovered**
- **No payment expected until your organization receives the released funds**

IF YOU DECIDE TO WORK WITH US

Step 1 — Verification

We confirm the property belongs to your organization.

Step 2 — Authorization

You review and sign the authorization documents.

Step 3 — Claim Preparation

We prepare and submit the complete claim package, including documentation related to acquisitions or name changes.

Step 4 — Agency Processing

We handle correspondence with the state until funds are released.

SECURITY AND DATA PROTECTION

We maintain strict security standards for all client information, using encrypted, access-controlled channels.

- Uploaded documents are stored in an encrypted environment.
- Access is limited to authorized personnel directly involved in your claim.
- Sensitive financial information is not requested unless required for verification.

AVOIDING SCAMS AND MISLEADING NOTICES

Unclaimed property notices can be imitated by fraudulent solicitations. A legitimate communication will allow you to:

- Verify the property through the official state website
- Confirm the sender's business registration
- Independently validate contact information
- Decline representation without obligation
- Review all documents prior to signing

We encourage you to validate any solicitation — including this one — using the State of Georgia's public search portal and by confirming Load Router, LLC in the Georgia Secretary of State business registry.
